YOUR RIGHT TO ORGANIZE AND JOIN A UNION IS PROTECTED BY LAW

It is the policy of the UAW to waive initiation fees for ALL employees who join the union before thirty (30) days after the signing of an initial collective bargaining agreement.

By joining the UAW, you have the support of one of the world's largest unions.

I think it's time for a union because:

**YOUR RIGHT TO ORGANIZE AND JOIN
A UNION IS PROTECTED BY LAW**

You have the right to join a trade union of your own choice and to participate in its lawful activities.

You have the right to cast a secret ballot in support of a trade union.

It is against the law for your employer to discriminate against you, to punish you or terminate your employment for exercising your right to form a union, or for participating in a proceeding under the Labour Relations Act, 1995.

It is against the law for your employer to threaten to fire you, punish you, or discriminate in any way against you for your support of a labour union.
